Follow-up activity

Play the Tag Challenge game with the children. Write some question tags on the board. In pairs, one child chooses a question tag: e.g. Aren’t they? The other child uses the tag to form a question: e.g. They’re going to Morocco, aren’t they? If the first child agrees that the question is correct, the second child wins a point. If the question is incorrect, the second child does not win any points. Children take turns to choose tags and make questions.

Answers

1 Write five more questions. Use the question tags in the box. 

Example answers:
1 It’s your birthday, isn’t it?
2 They’re winning, aren’t they?
3 We’re going to celebrate, aren’t we?
