Tiger Street Club Report

In the UK...

School finishes at the end of July. The summer holidays are six weeks long. Many children go to the beach or to campsites. Some children stay with their grandparents. Some children go to other countries with their family. Everyone's holiday is different.

My ideal holiday destination

Our family goes to a holiday camp for the summer holidays. It's great fun! We go to a campsite in Sherwood Forest. People stay in cabins or tree houses. There are lots of things to do. There's crazy golf and a climbing wall. There's also an incredible swimming pool. When you go to a holiday camp, remember to take your swimming things.

by Zach

On holiday, I like exploring the forest with my brother, Zach. You can see amazing plants and animals in the forest. When you go, don’t forget to take a camera. It’s a great place for taking photos.
