Grammar cards
1 Stick the shapes onto another sheet of paper and cut them out.

2 Start with this shape. Fold the side flaps inwards along the black line.

3 Fold the side flaps back along the first dotted line.

4 Fold the bottom flap up along the black line.

5 Fold the bottom flap back along the first dotted line.

6 Place a ruler along the second dotted line of the flap on the right. Fold the flap over the ruler. Do the same with the other flaps.

7 Open the flaps out again. Put glue on the dotted flaps.

8 Put the second shape on top of the first shape. Fold the side flaps down.

9 Stick the side flaps down. Fold the bottom flap over.

10 Stick the bottom flap down.

11 Turn your file over. Fold the front down along the two dotted lines.

12 Write your name on the front.
13 Colour and cut out the grammar bugs.
Use them to decorate your file.

14 You can stick them where you choose.
Now your file is ready.
